If a class has less than 5 registered students, it will be canceled, and we will ask the students to transfer to an open class of the same level. If most of the students in a class are in a level different from the designated level of the class, we will change our schedule to align our official class level with the level of most of the students.

English will be the principal language of instruction.

New students may register online or by mail. Our mailing address is:
